OPEN DOOR FINANCIAL ASSISTANCE PROGRAM (Assistance greater than 20%)

If financial assistance is needed beyond our 20% category, we offer members the opportunity to complete an Open Door Application outlining any special circumstances you may have. This improved process permits us to steward our scholarship dollars responsibly and allows us to gain a stronger understanding of our community's needs in applying funds where needed most. As always, applications are available at each Welcome Center location. Please allow up to 3 business days for the scholarship to be awarded. Questions? Please contact Marcia Roberts at 236.3375 or email mroberts@penbayymca.org.

**Your Total Household Income (adjusted gross) includes yourself and your spouse/significant other.
