

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

February 15, 2017

Dear Y Member,

The Penobscot Bay YMCA's Board of Directors and Staff would like to thank you for your continued membership and support. It has been our pleasure to serve you in 2016 and we look forward to doing even more for you in 2017.

Our goal is to provide you and yours with the best facilities possible, excellent programs, outstanding services and special benefits like these:

- Nearly 60 FREE group exercise classes weekly
- Priority registration for programs
- Unlimited access to our facilities including the Penobscot Bay YMCA, Rockland Harbor YMCA and the Rockland Community Center
- Guest Passes to share with family and friends
- Access to all Ys in New England via the Reciprocity Program
- FREE wellness consultations
- FREE Teen Center memberships and programs for youth in grades 5-12
- FREE Rockland Community Center memberships for youth grades K-12
- FREE Healthy Kids Day and Open House Events
- FREE access to Child Watch (Family membership privilege)

The Y is proud of the steps we have taken during the past few years to control expenses and add new revenue streams. Because of these efficiencies, we are pleased to announce that membership rates will only increase by \$1 or \$2 per month based on your membership category. The exception being youth memberships, which will remain the same. This rate increase will take effect March 1, 2017 for all categories.

In addition to keeping rate increases to a minimum, the Y continues to offer financial assistance through our **Membership for All (MFA) program**. MFA is an income-based pricing strategy that adjusts the membership rate based on household income. We also provide scholarships for individuals and families that need further assistance. These programs ensure that **no one is turned away because of the inability to pay**.

Again, we want to express our sincere thanks to you for belonging to the Penobscot Bay YMCA and helping us promote youth development, healthy living and social responsibility.

If you have any questions about membership or any Y activities, please give us a call at 236-3375. We're always happy to help!

Kind regards,

Troy Curtis
Chief Executive Officer
