AQUA FITNESS PROGRAMS

Join one of our water fitness programs and you will increase flexibility, range of motion, and get a low-impact workout in the pool. We have several classes that each serve a different function and focus on particular levels of intensity. Please refer to our guide below to determine which class caters to your goals. All classes may use music to enhance workouts.

Level 1 ♥ Non-impact program that works range of motion and balance

Level 2 ♥♥ Aerobic exercises and range of motion

Level 3 ♥♥♥ A mix of aerobic and anaerobic exercise, muscle conditioning, balance and flexibility

Level 4 ♥♥♥♥ Fast-paced exercise that includes muscle toning, strength, endurance, and conditioning

Level 5 ♥♥♥♥♥ A high-intensity class designed to build endurance, tone muscles, and improve cardiovascular fitness.

Private Swimming Lessons

This one-on-one instruction will allow the instructor to meet the specific needs of the swimmer. These lessons work well for those who don't prefer group swim lessons, or for those who need a flexible schedule. Please fill out the lesson request form at the Member Service desk.

Adult Swimming Class

It is never too late! Come join others in this class which is specifically designed for adults. Through this class, instructors will use a variety of techniques that will help you learn to be comfortable and confident in the water.
