Penobscot YMCA Sailfish Swim Team SPONSORSHIP OPPORTUNITY

Good for your business and good for your community.

Want to get your business logo in front of hundreds of community members multiple times this winter season? For a sponsorship donation of \$100.00, the name/logo of your business will be proudly displayed on the Sailfish team website and in Sailfish home meet heat sheets. Heat sheets list swimmers names and events and are every parents go-to document to keep up with the meet. Fans hold onto these documents for hours at a time during meets.

The Sailfish Swim Team is successful due in large part to the generous support of local sponsorships. Over 80 boys and girls in grades K through 12 from Camden, Rockport, Hope, Appleton, Lincolnville, Rockland, Owls Head, Thomaston, Washington, Union, Warren, and Waldoboro participate in this program. May of these families are likely to be clients, customers or patrons of yours. Please consider giving back by sponsoring.

✍ **YES, I want to help the Pen Bay Sailfish Team and get great exposure for my business!**

Business Name: _____
