

Swimmer Name: _____ Parent Name(s): _____

PENOBSCOT BAY YMCA SAILFISH PARENT VOLUNTEER EXPECTATIONS

The Pen Bay Sailfish Team is a parent-run organization. We need every family to participate in some function throughout the season to support the team and your swimmer. Parents are expected to volunteer at home meets, either on deck or by helping with concessions. Also, families and swimmers are expected to participate in fundraisers that help support the YMCA and our team. If you are a parent of a Pen Bay Sailfish USA swimmer, it is expected that you are a more active volunteer by taking a leadership role in meets or by chairing a team or fundraising event.

Below is a list of all the volunteer opportunities necessary to support our swimmer(s) and the entire Sailfish Team. **Please select the following areas where your family can help, so we can contact you.** If you have questions about certain positions, please check our parent handbook on TeamUnify under Parent Info. You can also email Tracy Cyr directly at tmade59@gmail.com.
