# PROGRAM DESCRIPTIONS

**AMPD KICKBOXING/KETTLEBELL** – Punch, kick, swing, and sweat your way through this high-energy fusion of martial arts-inspired movement and kettlebell AMPD training. This non-contact, music-driven class uses lightweight kettlebells (or hand weights) alongside dynamic kickboxing combos to deliver a fun, full-body, calorie-torching workout. Perfect for all fitness levels, it blends traditional and non-traditional strength moves with powerful cardio for an upbeat, total-body burn!.

**BODY BLAST** – Get a total body workout using weights and body weight exercises. Simple squats, lunges, presses and curls work all of your major muscle groups in this 60 minute class. Perfect for all fitness levels.

**BOLLYWOOD BEATS FITNESS** – Step into the world of Bollywood! You will learn exciting moves to popular Indian music, combining styles like hip-hop, Zumba, and traditional dance. This class is a great way to get moving, express yourself, and enjoy the beats of Bollywood.

**CYCLE** – Pedal through hill climbs, sprints, and many other challenging drills and exercises. An indoor cycling class set to exciting music tracks and choreographed to provide an excellent workout and improve cardiovascular conditioning.

**CYCLE & STRENGTH** – A full-body workout designed for all ages and fitness levels, this class combines low-impact cardio on the bike with a variety of strength exercises targeting all major muscle groups. Strength training will incorporate both bodyweight and free weight movements. The primary focus is to improve cardiovascular endurance and overall physical strength. While the class offers a challenging workout, exercises can be modified to accommodate different fitness levels, ensuring that everyone can participate and progress at their own pace.

**GROUP POWER®** – This 60-minute barbell program strengthens all your major muscles in an inspiring, motivating group environment with fantastic music and awesome instructors. With squats, lunges, presses and curls, this class is for all ages and fitness levels.

**POUND!** – Instead of listening to music, you become the music in this exhilarating full-body workout that combines cardio, conditioning, and strength training with yoga and pilates-inspired movements. Using Ripstix®, lightly weighted drumsticks engineered specifically for exercising, POUND transforms drumming into an incredibly effective way of working out. Cost: members free/ \$10 participants

**SENIOR STRENGTH, STABILITY AND BALANCE** – Come experience movement and strength with Sandy as she leads you through a seated with standing opportunities to increase strength, posture, balance and mobility.

**SENIOR STRENGTH STRETCH ADVANCED** – All the components of fitness: strength training, flexibility and balance will be addressed with the addition of mat core work. Participants should be prepared to bring their own mat and go to the floor. Both seated and standing, using free weights, bands and balls.

**LOW IMPACT TRX** – Learn the basics of TRX and explore flexibility, muscle, core and balance.

**TRX 45** – A dynamic, full-body workout using TRX suspension straps to build strength, improve balance, and enhance core stability.

## NEW TO GROUP CLASSES?

It can be intimidating to try something new, especially in a group setting. Please know that you are welcome!

Follow these steps to make your first class a success:

- Wear comfortable clothes.
- Arrive early.
- Introduce yourself to the instructor and let them know that this is your first time trying a group class.
- If necessary get a quick rundown of important prop and poses.

**AYURVEDIC YOGA** – Join us for an all-levels vinyasa & kundalini style yoga flow, using breath work, physical postures, aromatherapy, and tailored poses to increase strength and flexibility, stimulate the lymphatic system, calm the nervous system, cultivate mindfulness, and use Ayurveda to promote peace, patience, and well-being within ourselves.

**SLOW FLOW YOGA** – An all levels flow class in which each movement is linked with the breath. We commence the flow in a brief seated meditation, set an intention and practice various breath work techniques (pranayama).

**YIN & RESTORATIVE YOGA** – Yin yoga classes are characterized by their slow and meditative approach, focusing on the body's deeper connective tissues. Poses are held on the floor for 3 to 5 minutes to help release the fascia and supporting muscles. Combined with resting restorative poses and some guided reflexology with essential oils, enhances relaxation and finding peace with in one self.

**YOGA MODERATE FLOW** – This class focuses on building strength, flexibility, and balance while fostering mindfulness and relaxation. Modifications and variations will be provided to suit your individual needs, ensuring everyone feels supported and challenged at their own pace.

**HEATED POWER FLOW** – Move, sweat, and build strength in this energizing flow set in a room heated to 90+ degrees. This class emphasizes core engagement and powerful movements designed to boost strength, balance, and endurance.
